Admission into Secondary Schools for

September 2027

Walsall Council

Director's Welcome

Admission to Secondary School in September 2027

I am delighted to welcome you to Walsall's guide for parents regarding admission into secondary school in September 2027. This booklet provides advice and guidance on the process for applying for a secondary school place for September 2027.

If your child was born between 1 September 2015 and 31 August 2016, they are due to transfer to a secondary school for September 2027.

I am pleased to say that last year approximately eight out of ten children in Walsall secured their first preference school, with 94% securing one of their preferred schools. To increase your chance of securing a place at one of your preferred schools it is advisable to express a preference for five schools, the maximum number that you can apply for. Failure to do this may result in disappointment with the school place that is allocated to your child.

Prior to starting an application online, I advise parents/carers to complete the following:

- **Explore school websites** – read school admission policies and entry criteria to gain an understanding of how school places are allocated.
- **Attend open evenings** – information regarding open evenings can be found on the school's website.
- **Identify under what criteria the school filled places the previous year** – this information is available in this booklet or directly from the schools. This will enable parents to identify which criterion their application will fall within and therefore the likelihood of being offered a place.
- **Consider how your child will travel to and from school.**
- **Remember to submit by the National Closing Date of 31 October 2026** – submitting a late application will impact the chances of being offered a place at a preferred school.
- **We strongly advise you to list five preferred schools on your child's application** – this increases the chances of securing a place at a preferred school.
- **National Offer Day** – all on-time applications will receive an offer on **1 March 2027**.

All our Walsall schools are committed to giving each child the best possible start to secondary school, helping them to enjoy their secondary school experience and achieve their full potential.

The Admissions & Education Sufficiency Team are available to support parents through the application process and can be contacted via email at schooladmissionsadvice@walsall.gov.uk

If you require any advice or further guidance with submitting an online application, please contact the team who will be pleased to assist you.

Every best wish to your child for a successful transition to secondary school.

Yours sincerely,

Sharon Kelly

Submitting an application

If you live in Walsall and your child is due to transfer to secondary school in September 2027, you must apply to Walsall Council for his or her school place.

You must complete your application online. The online application process is quick and easy, and the benefits are:

- The system is safe and secure so that your information is protected
- You will receive email confirmation that your application has been received
- By logging back into your online application, you can make changes to your preferences up until the closing date (31 October 2026)
- You will receive the outcome of your on-time application by email on National Offer Day, 1 March 2027

We strongly urge Walsall parents and carers to list 5 different preferences on their application, the maximum allowed. We also advise including at least one local school you feel confident your child would have met the criteria for in previous years.

All places are offered based on how well a child meets the over-subscription criteria for each preferred school and there is never a guarantee that a place will be offered at any particular school. Including the maximum number of preferences increases the likelihood of a place being offered at a preferred school.

Frequently asked questions

How do I apply for a place at a secondary school?

All applications are to be completed online by visiting [Schools and learning](#) and then following the instructions provided. When making an application, you must name all the schools (maximum of 5) where you wish for your child to be considered for a place. We strongly urge Walsall parents and carers to list 5 separate preferences to maximise the chances of their child being offered a place at a preferred school. These should be listed in order of preference, including Walsall schools and any schools in other local authorities.

If you wish to apply for a Specialist Music Place at Aldridge School, you must name this as a separate preference. If you wish to also apply for a “standard” place at the school, please name the school separately. If you are expressing preferences for both options at the same school, you must rank the preference for the specialist place higher than the preference for the school place. This is because preferences are considered in the order that they are listed on your application.

What secondary schools are in Walsall?

There are 18 secondary schools in Walsall, offering 19 options for preference. These are the only Walsall schools that can be entered on your application. There are other schools in Walsall for which applications must be made directly to the school. Examples include: Abu Bakr Al-Ihsaan Academy, Abu Bakr Boys' School and Hydesville Tower School.

There are 16 secondary schools in Walsall where places are offered to boys and girls of all levels of ability:

- 2 Catholic voluntary aided schools
- 14 Academies

At the following three schools, all or some of the places are offered based upon the performance of children in an entrance examination or a musical audition, set by the school:

- Queen Mary's Grammar School and Queen Mary's High School are selective, single-sex schools (both Academies)
- Aldridge School offers Specialist Music Places

How do I apply for a school outside of Walsall?

If you are a Walsall resident and wish to apply for a school outside of the borough, these schools will also need to be listed on your application. For more information surrounding the admission criteria for schools out of the borough you will need to obtain a copy of the LA's information booklet or visit the corresponding authority's website. Will I need to provide any additional information?

If you name any of the following schools in your application, you must also complete the school's own registration form. This is available to download from the Walsall Council website (www.walsall.gov.uk). If you are intending to name any of the following schools, please contact the school to request a registration form:

- **Aldridge School Specialist Music Place (separate preference from Aldridge School)**
- **Blue Coat Church of England Academy**
- **Brownhills Ormiston Academy**
- **Queen Mary's High School (for Girls) complete the online registration form on the school website**
- **Queen Mary's Grammar School (for boys) complete the online registration form on the school website**
- **Shire Oak Academy**
- **Walsall Academy**

The school's own registration form must be returned directly to the secondary school concerned by **31 October 2026** (or in the case of Queen Mary's Grammar School and Queen Mary's High School before 26 June 2026). You must also name the school or Specialist Place on your online application.

Your application **WILL NOT** be considered unless **BOTH** are completed and returned on time. Other schools outside Walsall may also require you to complete a registration form or to provide additional information, so please remember to check with the relevant Local Authority.

St Francis of Assisi Catholic College, St Thomas More Catholic School, Brownhills Ormiston Academy or Shire Oak Academy

If you wish to express a preference for either or both of Walsall's Catholic Secondary Schools, Brownhills Ormiston Academy or Shire Oak Academy, you will need to send any required supporting information, e.g. baptismal certificates and letters from a minister of religion, directly to the school, together with a completed **Supplementary Information Form** – available to download and print from the school admission pages of the Walsall Council website or the website of the school.

Supplementary Forms are also available on request from the Admissions and Education Sufficiency Team or the school.

Blue Coat Church of England Academy

If you wish to express a preference for Blue Coat Church of England Academy, you will need to complete a **Supplementary Information Form** or a **Foundation Place Form** – available to download and print from the school admission pages of the Walsall Council website or the website of the school. Supplementary forms are also available on request from the Admissions and Education Sufficiency Team or the school.

When should I apply?

See also important dates on pages 4-5. The closing date for receipt of applications is **31 October 2026**. Applications received after this date will be considered after the applications received on time unless there are exceptional reasons. This may result in your child not being offered a place at your preferred school.

For information about schools in neighbouring local authorities, please contact the relevant local authority or other local authorities. Contact details can be found on page 8.

What happens if I do not submit my application before the closing date?

Secondary school applications can only be made through Walsall Council's online portal up to 31 October 2026. Late applications received between 1 November 2026 and 27 November 2026 may be considered as being on-time but only where there are exceptional circumstances.

Late Applications received between 28 November 2026 and 28 February 2027 **will only** be processed after all other applications have been finalised and you will not receive your offer until after national offer day. Such applicants are less likely to be offered their preferred schools.

Late applications for Walsall secondary schools received up to 4 weeks after the closing date (between 1 November 2026 and 27 November 2026):

Late applications received up to four weeks after the closing date may be considered as being on-time but only where there are exceptional circumstances, for example:

- Where the family was unable to complete the online application form by the closing date because they moved into the Borough of Walsall after the closing date.
- The family was unable to comply with the admission timetable because of exceptional circumstances that prevented the submission of an on-time application.
- When a lone parent has been ill for some time.

In these cases, applicants must set out the reasons for the exceptional circumstances and evidence must be provided. This will be subject to verification by the Admissions and Education Sufficiency Team. Please refer to page 60 for more details about Walsall Council's Late Application Policy.

Please note parents and guardians who submit applications considered as late (applications received between 1 November 2026 and 1 March 2027) will receive their child's offer after the National Offer Day, 1 March 2027. Please refer to pages 4-5 for the key dates needed to determine late offer dates.

Am I able to change my preferences?

Changes can be made to an application up until 31 October 2026. After the closing date any change in preferences, other than in exceptional circumstances, will be regarded as a late application and will be considered under the late application policy. Examples of exceptional circumstances can be found within our late application policy on page 60.

Will my child automatically transfer to secondary school from his/her present school?

Children do not automatically transfer from primary to secondary school, other than at Bloxwich Academy; see page 22 for further details. Every parent must complete an online application to ensure that their child is considered for a place at their preferred school.

Where a parent does not make an application for any school, a place at the nearest Walsall school with places available will be offered. This may not be your local school and transport assistance may not necessarily be provided.

If my child has an older sibling already in attendance at my preferred school, do I still have to apply?

You must submit an application for your preferred school by the closing date regardless of whether or not your child has an older sibling at the school at the time of admission.

Details of 'siblings' definitions can be found within the school's admission arrangement on their website.

When will I know the outcome of my application?

If you make an 'on time' application, you will receive the outcome of your application by email (please see page 4-5 for details) on Monday 1 March 2027.

In the case of offers to Walsall resident children for places in schools outside Walsall, Walsall Council will make offers on behalf of the relevant local authority.

How many places are available at each school?

Each school has a Published Admission Number which is the maximum number of pupils that the school will admit, considering the accommodation and resources available. The published admission number for each school is shown on the school information pages. You will also find information about how places were allocated in previous years on these pages.

What is the co-ordinated admissions scheme?

The scheme indicates the way in which Walsall Council will co-ordinate admission arrangements. The purpose of the scheme is to ensure that each pupil living in Walsall receives only one offer of a school place on the same date, whether that is at a school in Walsall or at one maintained by a neighbouring authority.

The neighbouring authorities coordinating in this scheme are: Birmingham, Dudley, Sandwell, Staffordshire and Wolverhampton.

Details of how the scheme operates are given from page 58.

What can I do if I am unhappy with the school offer made?

If you are unhappy with the school place your child has been allocated, you will receive further information regarding appeals with your offer letter. It may not be possible to offer a place at your preferred school and therefore, parents will have the opportunity to appeal against the decision to an Independent Appeals Panel. **Appeal forms must be submitted by 26 April 2027; forms received after this date may result in the appeal not being heard until summer term.**

Accepting or Declining School Offers

Acceptance of School Offered

Walsall Council will only make one offer to your child unless it becomes possible to offer a higher ranked preference later in the process or you are successful at appeal. The school that is offered is the school that your child should attend from September 2027. It is not necessary for you to contact either the Local Authority or the relevant School to accept the offer.

Schools outside the Walsall Borough may require you to accept your school offer with that Local Authority. Contact details for neighbouring Local Authorities can be found on page 8.

Refusing the School Offered

Walsall Council has a responsibility to ensure all children residing within Walsall have a school place. Therefore, we will not remove an offer of a school place unless other suitable education arrangements have been made. This includes:

- Securing a place at another school
- Enrolling in an independent school
- Registering for elective home education

The school that has been offered is the school that your child should attend unless other suitable education arrangements are in place.

What if my appeal is unsuccessful?

The decision reached by the Independent Appeal Panel is final and binding on all partners. Repeat appeals will not be considered in the same academic year unless there has been a significant change in circumstances.

How do I add my child to a waiting list?

Your child will automatically be placed onto the waiting list of all schools listed as a higher preference on your application. Parents can enquire about their child's waiting list position for Walsall schools by contacting the Admissions and Education Sufficiency Team from 17 March 2027. All waiting list positions are fluid and can move up or down dependent on the admissions criteria for individual schools. To enquire about your waiting list position for an out-of-borough school please contact the relevant local authority.

Waiting Lists for all Walsall schools except for Walsall Academy will be maintained by the Local Authority until the last day of Summer Term 2027. Parents with an enquiry about their child's position on the waiting list for Walsall Academy should contact the academy directly. Waiting lists will be held and maintained by Walsall Admissions and Education Sufficiency Team until the end of the Summer Term 2027. Parents who wish for their child to be added to any Secondary School waiting lists from September 2027 onwards should complete and submit a mid-year application form **directly to the secondary school of preference.**

Children who are the subject of a direction by a local authority to admit to a school or who are allocated to a school in accordance with the Fair Access Protocol must take priority over children on the waiting list.

How do I submit an application for children of multiple births?

If you have children from multiple births, such as twins or triplets, you need to fill out a separate application for each child. Make sure to indicate in the application that the child is part of a multiple birth.

Do I still need to apply for a mainstream school if my child is currently undergoing an Education, Health and Care Plan assessment?

Unless there is a finalised Education, Health and Care Plan (EHCP) in place for your child, you must still submit a mainstream school application for your child.

Who should I contact if I have any queries about the admissions process?

In the first instance please refer to the Walsall Council website for information here [Schools and Learning](#)

However, if you require additional support, please contact the Admissions and Education Sufficiency Team at schooladmissionsadvice@walsall.gov.uk

What are the chances of getting my child into the school I want?

It is not possible to give guidance that will guarantee a place at a particular school. However, if you take time to consider the following, it may increase the chances of one of your preferences being offered:

- Read the 'Information for Parents' booklet thoroughly.
- Only submit an online application to Walsall Council if you live in Walsall. If you live outside Walsall, you must apply to the local authority where you live (your home Local Authority).
- Do any of your preferred schools require another form to be sent in? For Walsall schools check 'How to Apply' in the school information pages. For schools outside Walsall, check the information booklet or the website for the relevant local authority.
- Give the name and date of birth of any sibling who is already at a school you are applying for, and who will still be in attendance in September 2027.
- Check the admission criteria for your preferred school carefully. Does your child meet the criteria for the school(s) you prefer?
- Check whether your child would have met the admission criteria last year, or the year before? If in doubt, please contact the Admissions and Education Sufficiency Team for guidance.
- Make sure you include, as a preference, at least one school where your child meets the admission criteria. This is likely to be a nearby school where one of the main admission criteria is distance. Requesting a local school may give your child the option to walk there.
- Do not include as preferences too many schools where you live further away than the cut-off distance in the past two years as this could prevent any of your preferences being offered.
- When you are naming your preferred schools, do not put the same preference down more than once. If you do, we will treat this as one application unless you are applying for a Music place (please see School Information pages).
- You are strongly advised to list five schools (the maximum allowed for Walsall resident applications), including those located outside of Walsall, in your preferred order, to give your child the best chance of being offered a place at a preferred school.

You must submit your application before 31 October 2026.

Who will be able to access information or make changes to my application?

Once submitted, updates or changes to an application can only be made by the applicant. We are unable to share information regarding a child's application without the applicant's written consent.

Special Educational Needs

All schools in Walsall are required to follow the guidance as set out in the Special Educational Needs and Disability Code of Practice to identify young people considered to have Special Educational Needs.

All schools have a policy on Special Educational Needs and a designated Special Educational Needs Co-Ordinator, usually referred to as the SENCO. In addition, all schools have a designated governor who takes responsibility for ensuring provision to meet the Special Educational Needs of the young people in the school is made. All young people should be supported in their learning through a differentiated curriculum and personalised learning, but some young people will be given additional support if required through 'SEN Support' or an Education, Health and Care Plan. More details about the secondary school admissions process for children with an Education, Health and Care Plan are set out below.

If you would like support with the EHCP process you can:

- Speak to your child's school SENCO
- [View our local offer pages for support](#) or contact us directly on SEN@walsall.gov.uk
- Get independent support from [Walsall SENDIASS](#)

Walsall Local Authority is committed to working in partnership with parents and carers.

What happens if your child has an Education, Health and Care Plan?

If your child or a young person has an EHC plan there is a separate process for applying for a school place. You do not need to apply through the normal admissions process for transfer to secondary school. Your school's SENCO should call a phase transfer focused annual review and discuss suitable placements with you for your child. This will be communicated with your Case Officer after the review, and your preference should be clearly documented in the Annual Review.

Your Case Officer and the EHC Team will be your key contacts and can support you and your child with making the application.

Moving from one phase of education to the next is a significant change and it's important that parents, carers or young people think about what school should be named in their EHC plan. You may choose to attend open days and information sessions for a variety of schools/settings to establish whether the provision is appropriate for your child's needs. Please check the Walsall Council local offer for information about schools/settings that you may be considering.

For a move to secondary school, SEN regulations require that the EHC plan must be reviewed and amended before **15 February 2027** if your child is due to start secondary school in September 2027. This means there should always be an annual review of the EHC plan before a transfer to a new phase of education. The annual review process should be submitted to the Local Authority before 30 October 2026.

If you request that your child be allocated a place in a special school, the need for this provision must be evidenced in the EHCP or the most recent annual review must include evidence that the needs of your child can't be met in a mainstream school environment. Please contact your Case Officer or the EHC team for more information.

Please note, if you apply to a grammar school to ensure the ability/aptitude of your child is taken into account this will be done by the school's own entrance examinations. A grammar school will only be named in the EHCP after the places have been allocated by the school.

Under section 43 Children and Families Act 2014, the school named in an Education, Health and Care Plan (EHCP) must admit the child.

School places will be allocated to children with an EHCP before places are allocated to other pupils.

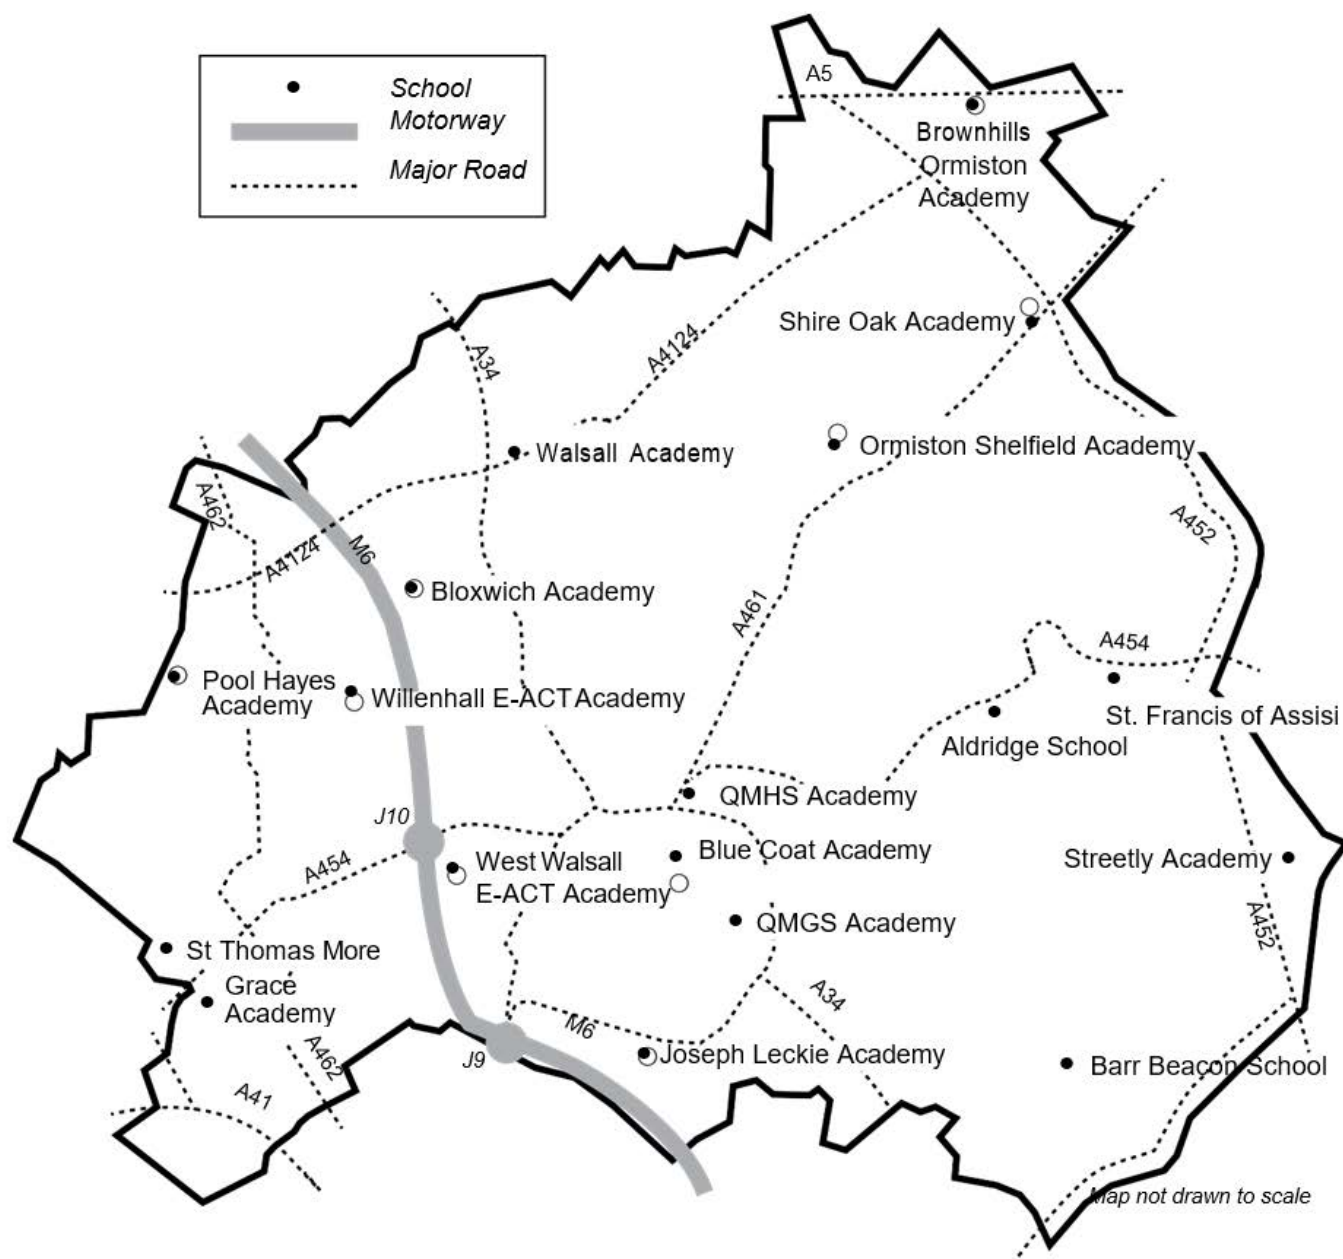

The final decision of the allocated school place rests with the Local Authority where the child or young person lives.

Children undergoing an Education, Health and Care Plan Needs Assessment

If a child is undergoing a needs assessment, then you need to apply through the normal process with the secondary admission process as you will need to be allocated a setting for September 2027.

Where the decision to issue an EHC plan is made after the 15 February 2027 the EHC assessment team will continue to consult with both the existing school and the school identified by Secondary Admissions, as well as any parent preferences for schooling made as part of the EHCP process, in order to identify the child's school placement as quickly as the process permits.

Those with special talents and abilities are stretched and achieve very highly and we celebrate this success.

We know that all students are individuals. We know that they will have many different interests, talents and ways of learning. We aim to provide for all in a way that maximises their potential. In this way we achieve our mission of 'Achieving excellence together'.

The form **MUST** be signed by an appropriate faith leader.

If you require any advice or information before you complete your application, please contact the Admissions & Education Sufficiency Team at schooladmissionsadvice@walsall.gov.uk

Admission Criteria:

150 places are offered by the Governors for entry into each academic year. Out of the 150 places, the Governing Body intends to allocate up to 50 "Foundation Places" (for practising Christians) and at least 100 "Open Places" for the whole community.

Children with an EHCP that names the Blue Coat CE Academy will have priority in admission for both Foundation and Open Places in Year 7 and for admissions to Year 12.

Parents/guardians must submit a separate application for each child, including for multiple-birth applications. When considering twins, triplets or larger number of siblings, which are the product of a multiple birth, where there are insufficient spaces for all siblings, the Academy will exceed its admission number so that same family twins, triplets etc. do not have to attend separate schools.

If there are more than 50 applicants for Foundation places, the places will be allocated according to the following criteria. These are stated in order of priority:

1. Children in Care (including children previously in care) whose families are faithful and regular worshippers;
2. Children with known medical, social or pastoral needs who have an exceptional need for a place at Blue Coat CE
3. Children whose families are faithful and regular worshippers in a Church of England Parish Church or other Anglican place of worship and who have attended one of the designated 'partner' Church of England primary schools, as set out in Appendix A;
4. Children whose families are faithful and regular worshippers in (a) a Church of England Parish Church or other Anglican place of worship; or in (b) another accredited Christian Church (e.g. Baptist; Methodist; Roman Catholic; Orthodox; United Reformed Church, Salvation Army; or in another Christian Church affiliated to Churches Together in Britain and Ireland and/or the Evangelical Alliance).
5. Children who will have a sibling in the Academy at the time of application and at the time of admission (In years 7-11) and whose families are faithful and regular worshippers;
6. Children of existing staff members, whose families are faithful and regular worshippers

In the event that two or more applicants have equal right to a place under criteria (ii) – (vi) above, the Governing Body will apply the subsequent criteria, in order of priority, to the applicants.

Information provided by the school:

Brownhills Ormiston Academy is a school that believes in success for every member of our community. We are very proud of our community, and we ensure that our offer presents an exciting opportunity for students to work very hard and to be highly ambitious for their future.

We are very clear that Brownhills students have one chance at their education and that school, families and students have a duty to make it count. This means that our September 2026 intake must and will leave Year 11 in 2031 with the skills, attributes and academic qualifications to enable them to enjoy a life of choice and opportunity.

At Brownhills, we have exceptionally high expectations of our students. We expect every student to work hard in lessons and at home. We make no apologies for being a home learning school, where study and revision at home is recognised as vital for success. We expect all students to behave with respect, to wear our academy uniform with pride, and to be ambassadors for our school in this brilliant community.

We are very proud to be part of the Ormiston Academies Trust; a group of schools who have been dedicated to transforming education for over 15 years. The Ormiston Academies Trust is one of the oldest, largest and most established school trusts in the country, meaning that the staff and students at Brownhills have more opportunities than ever to work with some of the best educators in the country.

Our curriculum is varied and challenging, providing students the opportunity to develop a wide range of skills and knowledge that will set them up for success across a broad range of subjects. The curriculum is carefully designed to promote ambition and aspirations to ensure students are prepared for their next destination. Recently, Ofsted praised the work of our academy in this area and the way in which we are increasingly supporting students to access more ambitious destinations and the work we are doing in preparing students for those destinations.

Beyond our ambitious curriculum, Brownhills students have access to a range of wider personal development opportunities, competitions, events, trips and clubs. We encourage our students to throw themselves into life at Brownhills and to benefit from the expertise and energy of our brilliant staff. Parents, pupils and Ofsted all comment on the fantastic opportunities available to students beyond the curriculum that contribute to their learning and experiences at Brownhills. Students are given the opportunity to be curious, creative, resilient, kind and develop many other personal attributes that not only support their personal development, but also actively contribute to success in the classroom.

At Brownhills, we are very proud of our history of musical success. We continue to have the largest school choir in Walsall, a band that includes students aged 9-18 and we provide multiple performance opportunities every year for students including concerts and an annual full-scale musical production. The expansion of our music scholarship programme has helped to support our culture of musical excellence, which in turn has led to us entering the Barnardo's National Choral Festival and this year, running an international music tour to Belgium, in which students performed in The Last Post Ceremony at the Menin Gate.

Brownhills is also a school that takes great pride in sport. We have a fantastic PE department who run an extensive extracurricular programme that gives students the opportunity to thrive in competitive environments. We have a swimming pool, sports hall, a gymnasium, a large field and a brand-new specialist Multi Use Games Area available to students to ensure they have the best facilities to achieve sporting excellence.

We also promote competition and a sense of belonging through our house system. When you join Brownhills, you will be placed in a house. In those houses, you will work in teams in competitions, to earn house points, to raise money for charity, and to celebrate success. Your house will become part of your identity and give you another fantastic community to be a part of within our school.

Open Evening is Tuesday 22 September from 6pm to 8.30pm.

Open mornings are Friday 25 September, Monday 28 September and Thursday 1 October and tours will start promptly at 9.15 by prior appointment. Please contact main reception on 01543 452886 to book your tour. You will be very welcome at Brownhills.

During Year 8 students will have the opportunity to make choices from an extensive range of GCSE or equivalent qualifications. It is expected that the majority of students will study a robust academic pathway, including humanities and languages subjects alongside their core curriculum; however, they will have free choice of at least 3 qualifications within our student pathways. The full range of subjects offered to students at Key Stage 4 is available on our website. You can be assured that the Academy will work with students and parents to ensure that students are placed on the most appropriate courses to allow them to succeed and continue in their further education. All courses have progression routes to Post 16 opportunities which include a wide range of traditional A Levels alongside vocational courses at Levels 2 and 3.

As students progress through their Key Stage 4 and Key Stage 5 courses the Academy has additional and dedicated provision which allows for a personalised curriculum and supported study.

The Academy was inspected by Ofsted in February 2026, the report can be [read here](#)

The school was judged to meet the expected standard in the following areas:

- Achievement
- Attendance and Behaviour
- Curriculum and Teaching
- Leadership and Governance
- Post 16 Provision

In addition to this we also achieved the strong standard in these areas:

- Inclusion
- Personal Development and Wellbeing

Safeguarding does not receive a graded judgement, the standards expected are either met or not met. Inspectors were entirely satisfied the standards for safeguarding are met, noting that pupils feel safe, that staff are vigilant, and that there is a strong culture where safeguarding is everyone's responsibility.

In describing what it is like to be a pupil at Joseph Leckie Academy they stated "every pupil who walks through the door of Joseph Leckie Academy is treated as an individual with potential." They noted that "relationships across the school are warm, respectful and steady. There are high expectations that drive a very positive behaviour climate" and that this "reflects the school's culture that supports ambition and readiness for the future, pupils feel included, valued and able to play a full and confident part in school life".

Ofsted identified inclusion as a strength of the school, highlighting that "leaders are ambitious for all pupils and are relentless in their drive to ensure that their needs are met". Inspectors praised the extensive and well-trained teams supporting pupils with special educational needs and/or disabilities, and noted that pupils are well supported to thrive both academically and socially.

Within Personal Development and Wellbeing, another strength, inspectors commented positively on the school's values, stating that pupils understand the importance of "kindness, empathy and tolerance" and that relationships across the school are warm, respectful and support pupils to feel confident and independent.

Inspectors described the school as a calm and purposeful environment, where pupils behave well, have positive attitudes to learning and arrive at school "settled, safe and ready to learn".

Across teaching and the curriculum, Ofsted found that pupils typically achieve well and are prepared effectively for their next steps. Leaders were recognised for having a clear understanding of the school's strengths and areas for development, for setting high expectations, and for investing heavily in staff development and wellbeing.

A caring and supportive Academy: Our pastoral system is organised into year groups. We take great care in making sure that all our students get the most out of the many opportunities we offer. Heads of Year, along with form tutors and a wide range of pastoral staff, including our academy counsellor, nurse and mentoring team, support students' learning. Tutors know members of their tutor group well and are the first point of contact for parents.

House system: In addition to our excellent pastoral system, we have a house system with students divided up into one of four houses from across the years. The Heads of House arrange a wide variety of activities and events to engage students including sporting competitions, crafts, music to quizzes and talent shows.

Ormiston Shelfield Community Academy

Our three core drivers of Outcomes, Values and Choices are at the heart of our daily actions and interactions. Our aim is simple; by rigorously instilling our values, students achieve positive outcomes enabling them to make considered life choices which open doors to the opportunities they deserve.

Outcomes

We educate our students to understand that 'outcomes' means academic attainment and progress, development of values and character and progression to their preferred destinations. We support our students to achieve academic qualifications that empower them to seize opportunities and advance to the next stage of their chosen educational journey. We empower our students to have the knowledge, skills, personal traits and experiences in order to seize career and life opportunities

Values

We are ready, respectful and responsible. We are honest. We do what we say we'll do and do not make excuses. We are a team. Helping a member of our team is helping ourselves.

Choices

We develop our students to have the strength of character and courage to do the right thing because it is the right thing to do. Our values support our students to make the life choices that will have a positive impact on their future and contribution to society. Being outcome focused and values driven, students take responsibility for their learning and actions which opens doors for them to have a breadth of choices when they leave school.

Curriculum Intent

Our intention is that all students achieve the best possible outcomes by studying an appropriate curriculum, applying themselves in every lesson and by developing a clear understanding of why achievement matters to their future goals, aspirations, and destinations. Our dedication to develop the whole child enables our students to leave the academy proficient in the skills that are vital for everyday life.

Students are provided with opportunities which will inspire, challenge and motivate them, gaining access to a curriculum that enhances their academic and personal development, providing knowledge, understanding and skills so that they value education and understand that outcomes mean results and character. Our curriculum is carefully designed and responsive to the needs of our students accounting for the community we serve. Our curriculum allows students to deepen their knowledge by embedding regular review and recall opportunities; alongside explicit interleaving this builds firm foundations for progression to the next level.

Students at our academy are safe, supported and successful. You can be confident that your child will be too.

An essential part of our approach is the partnership between pupil, parent and the academy, based on the values of Respect, Aspiration, Excellence and Resilience. We want to ensure all of our pupils are effectively equipped for the next step in their lives.

We have moved from strength to strength. In April 2022 we achieved a Good grading from Ofsted, we are ranked as one of the most improved secondary schools in Walsall and have built on our results year on year. This success achieved on the solid foundations of high-quality specialist staff and an effective curriculum that has a clear purpose and focus.

September we will again be taking an increased intake. This reflects the positive view that parents and carers have of the school and the reputation it has as a great place to work and learn.

We remain committed to developing strong links with our community. We work with our charitable organisation – chosen by students as well as local businesses and employers. We also see our provision as a seven-year journey, taking our pupils from Year seven through to Year thirteen, opening the door to university and beyond.

Admission Criteria:

Places are awarded by the Governors based upon the performance of children in the school's entrance test.

The PAN for entry to Year 7 is 180 pupils. As a selective school which offers places based on ability, the Governors are not obliged to admit pupils to the PAN.

In order to be eligible for admission to the school, candidates must achieve a minimum standardised score (the 'qualifying score') in the selection test. Where the number of applications for admission exceeds the number of places available at the school, places are offered to children as follows:

A. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted who achieve the qualifying score by rank order of standardised score. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions as defined by section 22 (1) of the Children Act 1989 who achieve the qualifying score by rank of order of standardised score;

B. Children eligible for Pupil Premium* at the time of the test who achieve the qualifying score by rank order of standardised score but limited to no more than 54 pupils in this category;

If the number of students applying under this criterion exceeds the number of places available, priority will be given to students as follows

B (cont) B1. For those students attending a Primary School which is listed in Walsall Children's Services Directory for the academic year 2026/27 and who achieve the qualifying score by rank order of standardised score.

B2. For those students who do not attend a Primary School which is listed in the Walsall Children's Services Directory but who achieve the qualifying score by rank order of standardised score.

C. Other children who have achieved the qualifying score by rank order of standardised score until the Published Admissions Number is reached.

If one or more candidates satisfy the admissions criteria and are equal on the order of merit, the positions in the three skills areas of the Test will be added together, and the candidate(s) with the lowest number will be offered the place(s).

Information provided by the school:

Queen Mary's Grammar School was founded in 1554 by Mary Tudor. We have been shaped by our past and we are proud of our traditions, but we are also confident of an exciting future as we help to shape the new educational landscape.

Queen Mary's is an academically selective school. It is our aim to support pupils to achieve their full academic potential. We value the life of the mind, and we want to pass on a love of learning.

Outside the classroom, we offer a range of life enriching opportunities: time at our Field Centre in Wales; membership of our thriving Combined Cadet Force; individual and team sports; foreign exchanges and travel; participation in music, drama and many other activities. We believe that achievement and enjoyment go hand in hand.

We equip our pupils to meet the challenges of a rapidly changing world. Most choose to go on to higher education. Through partnership between School, pupil and parents, we aim for the examination success that will open doors to the very best HE institutions and international employers. We were rated as 'outstanding' by Ofsted, and it is our mission to attain excellence in all that we do.

Our House system celebrates the four pillars of School life at Queen Mary's: an academic focus, an international ethos, an enterprising spirit and a generous approach to life. We enjoy our social, cultural and ethnic diversity and recognise our many privileges. We are keen to share what we have – experience, enthusiasm- both with those who live on our doorstep and those from further afield.

To do so is very much in the spirit of our motto *quas dederis solas semper habebis opes*: it is what you give that you will keep as eternal riches.

The school is a Founder academy of a new Multi Academy Trust in Walsall: The Mercian Trust.

Our Trust is a group of Schools working together under a common banner, but each retaining their autonomy, unique heritage and distinct identity.

Pupils in the Mercian Trust will be part of a family of schools forming an educational community. We are convinced we are stronger together. The Trust is already shaping the educational landscape in exciting ways; every pupil in the Trust will be part of that story.

Admission Criteria:

Places are awarded by the Governors based upon the performance of children in an examination set by the school.

An examination for entry to the school in September 2027 takes place on or around 12 September 2026.

How places were offered for September 2026:

Pupils are admitted on the basis of their performance in the test. After the test, candidates are ranked according to their test scores. Further details can be found on the school web site: www.qmhs.org.uk

To be eligible for admission to the school, candidates must achieve a minimum standardised score (the 'qualifying score') in the Test. This will be decided by Governors once they have received the order of merit.

Where the number of applications for admission exceeds the number of places available at the school, places are offered to children as follows:

- A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted who achieve the qualifying score by rank order of standardised score. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions as defined by section 22 (1) of the Children Act 1989.
- Children eligible for the Pupil Premium* at the time of the Test who achieve the qualifying score by rank order of standardised score but limited to no more than 30% of pupils in this category (currently 45 places);
- If the number of students applying under this criterion exceeds the number of places available, priority will be given to students as follows:
 - B1. For those students attending a State-funded Primary School in Walsall at the time of the Test.
 - B2. For those students who do not attend a State-funded Primary School in Walsall but who achieve the qualifying score by rank order of standardised score.
- Other children who have achieved the qualifying score by rank order of standardised score until the Published Admissions Number is reached.

If one or more candidates satisfy the admissions criteria and are equal on the order of merit, the positions in the three skills areas of the Test will be added together, and the candidate(s) with the highest score will be offered the place(s).

In the event of the process listed above not producing a result where individual applications can be separated; a random allocation process will be used as a tie-break to decide who has highest priority for admission. This process will be independently verified.

* The school will require evidence to confirm Pupil Premium status

How to appeal if you do not obtain a place:

Write to the Clerk to the Governors: Mr D Milne,

Whitehouse Ridsdale, 26 Birmingham Road, Walsall WS1 2LZ

Shire Oak Academy

Lichfield Road, Walsall Wood, Walsall, WS9 9PA (DfE No: 335 5402)

Headteacher: Mr M Everett

Chair of Governors: Professor W Foster

Admission Number: 270

Type: Academy

Denominational Affiliation: None

Total No. of Pupils (May 2026): 1,157

How to apply for a place:

To apply for a place, you must complete **two forms**.

1. Apply online or complete your home authority's Preference Form and return by the date stated. For Walsall resident parents apply online by **31 October 2026**.

AND

2. Complete the Shire Oak Academy Supplementary Form available direct from the Academy and return it to the Academy by **31 October 2026**.

If you require any advice or information before you complete your application, please contact the Admissions & Education Sufficiency Team on schooladmissionsadvice@walsall.gov.uk

Admission Criteria:

If the number of applications exceeds the Admission Number, places will be allocated in the following order:

- (a) Children with an Education, Health and Care Plan (EHCP) - Where Shire Oak Academy is named in a child's EHCP, the Academy must admit the child. These children are admitted before the oversubscription criteria are applied.
- (b) Looked After Children and Previously Looked After Children - This includes children who are or have been in the care of a local authority, and children who were previously in state care outside England and were adopted.
- (c) Siblings - Children with a sibling attending the Academy at the time of admission. A sibling includes a full brother or sister, a half-brother or sister, a stepsibling or any child permanently residing in the same household.
- (d) Children of Staff - Children of members of staff who have been employed at the Academy for two or more years at the time of application, or who have been recruited to fill a post where there is a demonstrable skills shortage.
- (e) Distance - Children who live closest to the Academy, measured in a straight line from the child's home address to the Academy's main entrance. Walsall Local Authority calculates this distance using GIS (Geographic Information System) software.
- (f) Tie-break - In the event that two or more applicants meet the same criteria for the final place, the tie-break will be by distance as measured above. If two applicants live an identical distance from the Academy, the place will be allocated using an independently verified random allocation process.
- (g) Twins and multiple births - If one child from a multiple birth is allocated a place, the Academy will admit the other child(ren) even if this results in the Published Admission Number being exceeded

In line with Walsall Council's development proposals for special educational needs, the Governors at the Academy agreed to an additionally resourced provision being maintained within the Academy. The additional resources are deployed so that the needs of up to ten children in total who have specialised learning needs (including dyslexia) can be met. The children would be of compulsory school age.

It may be considered appropriate to offer a place in our enhanced learning facility for specialised learning needs to those students who, despite sustained intervention at School Action Plus, have made little or no progress, taking into consideration the points above. However, in the event of there being restricted places then children and young people with a Statement of SEN giving specialised learning needs as their primary special need would have first priority in accessing the resource. It follows that these children could be placed into the school to benefit from the developed expertise and additional resources available to meet their needs. These children could be placed over and above the admission number published for the Academy.

A copy of your child's Baptismal certificate should be sent directly to the school together with the Supplementary Evidence Form, in line with the deadline for returning your home authority application form.

In special circumstances where this is unobtainable (e.g. applicants from abroad) a letter from your current parish priest or minister of religion must be sent directly to the school to support the application.

If you require any advice or information before you complete your application, please contact Admissions and Education Sufficiency Team via email schooladmissionsadvice@walsall.gov.uk

Admission Criteria:

If the number of applications exceeds the Admission Number, the governors will give priority to applications in accordance with the criteria listed, provided that the governors are made aware of that application before decisions on admissions are made.

In all categories, priority will be given to those who have a sibling attending St Francis of Assisi Catholic College at the proposed time of admission.

Category 1 – Baptised Catholic children (see note 2 below) who are looked after or previously looked after (see note 3 below).

Category 2 – Baptised Catholic children (see note 2 below) who attend a named feeder school (see note 5 below). These are:

Category 10 – Children of other faiths whose membership is evidenced by a religious leader (see note 7 below).

Category 11 – Any other children not included in Categories 1-10 above.

Note 1: The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

Note 2: In all categories, for a child to be considered as Catholic, evidence of Catholic Baptism or Reception into the Church will be required. For a definition of a Baptised Catholic, see the Appendix. Those who face difficulties in producing written evidence of Catholic Baptism or Reception into the Church should contact their Parish Priest.

Parents making an application for a Catholic child should also complete a Supplementary Information Form (SIF) **which should be returned directly to the school**. If you do not provide the information required in the Supplementary Information Form and return it by the closing date, together with all supporting documentation, this may affect the criteria that your child is placed into, which may affect your child's chance of being offered a place at this school.

For the purposes of this policy, a looked after child living with a family where at least one of the carers is Catholic will be considered as Catholic. The carer must forward a copy of their own Catholic Baptismal or Reception certificate directly to the school in order for this priority to be given to the child as failure to do so will result in the looked after child being ranked as a non-Catholic.

Note 3: A "looked after child" has the same meaning as in section 22(1) of the Children Act 1989 and means any child who is (a) in the care of the local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making the application to the school. A "previously looked after child" is a child who was looked after, but ceased to be so because he or she was adopted or became subject to a child arrangement order or special guardianship order and includes those children who appear (to the governing body) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

For the purposes of this policy, a looked after child living with a family where at least one of the carers is Catholic will be considered as Catholic. The carer must forward a copy of their own Catholic Baptismal or Reception certificate directly to the school in order for this priority to be given to the child as failure to do so will result in the looked after child being ranked as a non-Catholic.

Note 4: For all applicants the definition of a brother or sister is:

- A brother or sister sharing the same parents.
- A half-brother or half-sister, where two children share one common parent.
- A stepbrother or stepsister, where two children are related by a parent's marriage or civil partnership, or where they are unrelated but their parents are living as partners.
- Adopted or fostered children.

Note 5: The named feeder schools for St Francis of Assisi Catholic College are:

- St Mary of the Angels Catholic Primary, Aldridge
- St Francis Catholic Primary, Shelfield
- St Anne's Catholic Primary, Streetly
- St Bernadette's Catholic Primary, Brownhills
- St Gabriel's Catholic Primary, Tamworth
- St Elizabeth's Catholic Primary, Tamworth
- St Joseph's Catholic Primary, Lichfield

- St Peter & Paul Catholic Primary, Lichfield
- St Mary's the Mount Catholic Primary, Walsall.

Note 6: "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

Note 7: "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

A religion which involves belief in more than one God, and

A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

Note 8: Distance will be measured in a straight line from the centre point of the home address to the centre point of the school address using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority.

If the home address is a flat or apartment and there is more than one flat at the same address priority will be given to applicants living at the lowest numbered flat and/or the flat on the lower floor.

In a very small number of cases, where the school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and the school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both, or all, of the children would cause the Published Admission Number for the child's year group to be exceeded the Governing Body will randomly select the child to be offered the final place.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's published admission number.

A child's home address refers to the address where the child usually lives with a parent or carer and will be the address provided in the Local Authority's Common Application Form.

Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address provided in the Local Authority's Common Application Form, provided that the child resides at that address for any part of the school week.

Parents may be requested to supply documentary evidence to satisfy the Governing Body that the child lives at the address put forward by the parents.

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

How places were offered for September 2025 and 2026:

A total of 679 preferences were expressed for places in September 2025. Places were offered only to pupils who met admission criteria 1,2,3,4,5,6,7,8 and some in Category 9.

A total of 741 preferences were expressed for places in September 2026. Places were offered only to pupils who met admission criteria 1,2,3,4,5,6,7,8 and some in Category 9.

How to appeal if you do not obtain a place:

In the first instance write to the Chairman of Governors at the school address shown above. If this does not resolve the matter write to the Secretary of the Appeals Committee for Admissions at the above school address

Note 2: In all categories, for a child to be considered as Catholic, evidence of Catholic Baptism or Reception into the Church will be required. For a definition of a Baptised Catholic, see the Appendix. Those who face difficulties in producing written evidence of a Catholic Baptism or Reception into the Church should contact their Parish Priest.

Parents making an application for a Catholic child should also complete a Supplementary Information Form (SIF) which should be returned directly to the school. If you do not provide the information required in the Supplementary Information Form and return it by the closing date, together with all supporting documentation, this is likely to affect your child's chance of being offered a place at this school.

Note 4: For all applicants the definition of a brother or sister is:

- A brother or sister sharing the same parents

- A step-brother or stepsister, where two children are related by a parents’ marriage or where they are unrelated but their parents are living as partners
- Adopted or fostered children

Note 6: Distance will be measured in a straight line from the centre point of the home address to the centre point of the school address using the Local Authority’s computerised measuring system with those living closer to the school receiving the higher priority. A child’s home address refers to the address where the child usually lives with a parent or carer and will be the address provided in the Local Authorities Common Application Form.

Where parents have shared responsibility for a child, and the child lives part of the week with each parent, the home address will be the address provided in the Local Authorities Common Application Form, provided that the child resides at that address for any part of the school week.

Parents may be requested to supply documentary evidence to satisfy the Governing Body that the child lives at the address put forward by the parents.

If a place in the school is offered on the basis of an address that is subsequently found to be different from a child’s main and permanent home address, then that place is liable to be withdrawn.

Note 7: For children to be prioritised as children of staff, the staff member must have been employed at the school for two or more years at the time at which the application for admission to the school is made or the member of staff has been employed at the school for less than two years but has been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Appendix

Definition of a “Baptised Catholic”

A “Baptised Catholic” is one who:

Has been baptised into full communion (Cf. Catechism of the Catholic Church, 837) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome. Written evidence of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. Code of Canon Law, 877 & 878).

Or

Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the Rite of Reception took place (Cf. Rite of Christian Initiation, 339).

NB. All parents should complete a Supplementary Information Form and return it to St Thomas More School.

If your child is a baptised Roman Catholic, please attach a copy of his or her baptismal certificate. This evidence should be returned to the school. Failure to complete and return the Supporting Evidence Form may affect the criterion in which the child’s name is placed.

Repeat Applications

Any parent can apply for a place for their child at any time outside of the normal admissions round. Parents do not have the right to a second appeal in respect of the same school for the same academic year unless, in exceptional circumstances, the Governing Body has accepted a second application from the parent because of a significant and material change in the circumstances of the parent, child or school, but have still refused admission.

How places were offered for September 2025 and 2026:

A total of 656 preferences were expressed for places in September 2025. 243 places were offered after applying the published admission arrangements

A total of 566 preferences were expressed for places in September 2026. 243 places were offered after applying the published admission arrangements.

How to appeal if you do not obtain a place:

Parents who wish to appeal against the decision of the Governing Body to refuse their child a place in the school should make that appeal request in writing to the Chair of Governors at the school address. Appeals will be heard by an independent panel.

Admission Criteria:

Admissions Oversubscription Criteria

When the number of applications for admission is greater than the places (168 pupils plus 40 additional places approved by Governors, 208), the Academy will be oversubscribed, and all applications will be considered against the criteria set out below and places will be allocated in the following order:

Banding of Applicants

Applicants will be placed in one of nine ability bands based upon their score in the NFER (National Foundation of Education Research) Non-Verbal Reasoning Test.

Band	1	2	3	4	5	6	7	8	9	total
% in normal distribution	4%	7%	12%	17%	20%	17%	12%	7%	4%	100%
Number of places (if 208 allocated)	8	15	25	35	42	35	25	15	8	208

All children who apply for a place at the Academy will be invited to attend an assessment, namely the NFER Non-Verbal Reasoning Test. The assessment will last one hour and will be held at Walsall Academy. Children cannot "fail" the NFER assessment and therefore any request to re-sit the assessment will be refused.

The assessment results will be used to ensure that the Academy admits the full range of ability of applicants for the school (through a normal distribution of ability). Parents will be advised of the results of the NFER test and the Academy will take all reasonable steps to advise parents of the outcome in accordance with the Statutory Code. If an applicant fails to sit the admissions assessment, their application will be deemed to be withdrawn.

Looked After Children and Previously Looked After Children

Children in Public Care (Looked after Children) will be given highest priority for admission within each band. Looked after Children are children who are in the care of a local authority or provided with accommodation by a local authority. This also includes previously looked after children who were looked after, but ceased to be so because they were adopted, became subject to a residence order or special guardianship order.

Children of staff at the school are given the next priority in each band

Where a member of teaching staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

Distance from the Academy

After Looked After Children and children of staff at the school, proximity to the Academy will be used combined with banding to decide who will be offered places. From within each of the bands the applicants that live closest to the Academy (not their ranking within the band) will be given priority for admission.

Distance is calculated in a straight line from the centre point of the home address post code to the centre point of the Academy. Home address is classified as the permanent residence where the applicant is living at the time of the offer and there must be evidence it is not temporary or for the purposes of gaining advantage to seek admission. The Academy may ask for proof in such cases where it may be suspected that unfair advantage is being sought by applicants on the issue of residence. Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, the main residence will be determined as the address where the child spends the majority of the week. Documentary evidence may be required in such cases.

Where there are insufficient children in a particular band, the next nearest child will be selected from the band below, then the band above.

Tie Breaker

Where two applications cannot otherwise be separated, the place will be offered on the basis of random allocation.

How places were offered for September 2025 and 2026:

There were 764 applications for places in September 2025. Places were offered to pupils in accordance with the Academy's admission criteria.

There were 744 applications for places in September 2026. Places were offered to pupils in accordance with the Academy's admission criteria.

Transport to secondary schools

Free Travel Assistance Criteria from September 2026:

To qualify for a free school bus pass, each pupil must satisfy the following criteria:

1. If 11 years of age or above, at the start of term, the pupil’s home address must be 3 miles walking distance or more from his/her nearest qualifying school.
2. The walking distance is a measurement we use, the child is not expected to walk this distance unaccompanied.
3. Pupils living at temporary addresses and who meet the distance criteria may qualify for short term assistance provided if the address is within the Borough of Walsall.
4. If a pupil moves address during year 10 or 11, a free school bus pass will only be issued if the distance criterion is not met.
5. Pupils aged 11 or over from low-income families will qualify for a free school bus pass to one of their three nearest qualifying schools if they live more than 2 miles but not more than 6 miles from that school.
6. References to the ‘nearest qualifying school’ means the nearest qualifying school with places available in the required year group, appropriate to the age, ability and aptitude of the child and any Special Educational Needs that the child may have. This may not be one of your preferred schools.
7. The council does not provide transport to denominational schools unless the family is on low income, children who live over 2 miles and less than 15 miles from that school would qualify for a bus pass.
8. Pupils with Special Educational Needs with an Education Health Care Plan, and attending their nearest qualifying school named in the plan. They should contact their SEND Caseworker.
9. Information for all pupils including bus pass applications and travel assistance applications can be found on the Walsall Council Home to school web pages. [Home to school transport](#)
10. Further government guidance can be found at: school bus [Home-to-school travel - GOV.UK \(www.gov.uk\)](#)

Examples relating to eligibility based on income:
Child A is an 11-year-old child entitled to free school meals. Their nearest qualifying school is 2.5 miles from their home, the second nearest qualifying school is 3 miles away, and the third nearest qualifying school is 5 miles away. Child A would qualify for a free school bus pass to each of these three schools.
Child B is an 11-year-old child whose parents are in receipt of their maximum level of Universal Credit. Their nearest qualifying school –X- is 1.5 miles from their home, the second nearest qualifying school –Y- is 2.2 miles away and the third nearest qualifying school –Z- is 6.5 miles away. Child B would qualify for a free school bus pass to schools Y and Z but not to school X.
Child C is an 11-year-old child who is entitled to free school meals. School –X- is their nearest qualifying school and is 4 miles from their home. School –Y- is their second nearest qualifying school which is 4.5 miles away, and the next suitable school is –Z- which is 10 miles away. Child C would be entitled to a free school bus pass to schools X and Y, but not to school Z.

How the Inter-LA coordinated admission scheme works

1. The Inter-LA Co-ordinated Secondary Admission Scheme allows parents/carers to express preferences for up to 5 secondary schools, rank them in order of preference and, if appropriate, give reasons for their preferences (e.g. medical or social reasons).
2. Parents/Carers who live in the borough of Walsall submit an application online at www.walsall.gov.uk/education to apply for a place at any secondary school in Walsall or at a secondary school outside Walsall (**do not** name Palfrey Girls' School, Abu Bakr Al-Ihsaan Academy, Abu Bakr Boys' School or Hydesville Tower School on the form). Each school named is regarded as a separate application.
3. The national closing date for secondary applications is **31 October 2026**.
4. **Important** - If you name any of the following schools on your online application, you must also complete the school's own Registration/Supplementary Information Form, available to download from the Walsall Council website www.walsall.gov.uk

- | | |
|---|---|
| • Aldridge School Specialist Music Place | • Queen Mary's Grammar School (for Boys) |
| • Blue Coat CE Academy | • Shire Oak Academy |
| • Brownhills Ormiston Academy | • St Francis of Assisi Catholic School |
| • Joseph Leckie Academy | • St Thomas More Catholic School |
| • Queen Mary's High School (for Girls) | • The Walsall Academy |

Other schools outside Walsall may also require you to complete a registration form or supplementary information form so please remember to check with the relevant local authority.

5. If you wish to express a preference for either or both of Walsall's Catholic Secondary Schools, you will need to send any supporting information, e.g. Baptismal Certificates and a Supplementary Information Form, direct to the school.
6. Schools where the Governing Body is the admission authority will be informed of all applications naming their school, but not the rank given by you. However, once places have been offered your rankings may be disclosed to a school if you request an admission appeal.
7. After the Closing Date of **31 October 2026**, the admission criteria for each of the schools for which you have expressed a preference will be applied by the appropriate admission authority to determine whether your child meets the school's admission criteria and could be offered a place.
8. The admission authorities will inform us whether your child meets their admission criteria and could be offered a place. If your child meets the admission criteria of only ONE of your named schools, you will be offered a place at that school.
 - If your child meets the admission criteria of TWO or more of your named schools, you will be offered a place at the highest ranked of those schools.
 - If you are a Walsall resident and your child does not meet the admission criteria of any of your named schools, we will offer a place at an alternative Walsall school with places available.
 - If you live outside Walsall and do not meet the admission criteria of any of your named schools, your child will not be offered a place at an alternative Walsall school, but your home authority is responsible for offering a place at an alternative school in your home authority area.
 - Parents will not be able to hold places at more than one secondary school. If your application for any preferred Walsall school is unsuccessful, please read the Waiting List Policy on page 60.
9. On the National Notification Date, **1 March 2027**, Walsall Council will write to all Walsall resident parents in Walsall on behalf of the relevant admission authority, informing them of the outcome of their applications. If appropriate, this letter will also inform you of the reason for the refusal of a place, your right of appeal and will give you contact details for appeal information.
10. Examples – the examples shown on the following two pages will help you to understand how places will be offered using the Inter-Local Authority Co-ordinated Secondary Admission Scheme.

Example of how the Inter-LA co-ordinated admission scheme works

The examples below do not use names of Walsall Primary Schools.

Example 1:

Hassan lives close to Grangetree School and even closer to Roundhill School. His parents know that they live a long way from High Fields School which is usually oversubscribed but they want to see if he will be offered a place there.

The school they really prefer is Holmetown Boys' Grammar, but they mistakenly think they should rank other schools higher in case Hassan does not do well in the grammar school's examination.

Rank	School	Hassan's Details	School's Admission Criteria Met?	Place Offered?
1	High Fields School	Lives 2 ½ miles away	No	No
2	Roundhill School	Lives ½ mile away	Yes	Yes
3	Grangetree School	Lives 1 mile away	Yes	No
4	Holmetown Boys' Grammar	Has taken the examination	Yes	No
5	Marsh Hill School	Lives 1 mile away	Yes	No

Hassan lives too far from High Fields to be offered a place. He qualified for places at Roundhill, Grangetree and Marsh Hill. He also qualified for a place at Holmetown Boys' Grammar School because of the score he accumulated in the examination. His parents would have preferred a place at Holmetown Boys' Grammar but the other schools for which Hassan also qualified were ranked higher. **He is offered a place at Roundhill, the highest ranked of the four schools for which he qualified.**

If Hassan's parents had ranked Holmetown Boys' Grammar first they would have been offered a place there.

Example 2:

Louise's nearest school is Marsh Hill. Her parents would like her to go to High Fields, slightly further away, or to Bishop Green, a Catholic school that is a short bus ride away. They also want her to sit the test for Holmetown Girls' Grammar School.

Rank	School	Louise's Details	School's Admission Criteria Met?	Place Offered?
1	Holmetown Girls' Grammar	Has taken the examination	No	No
2	High Fields School	Lives ¾ mile away	Yes	Yes
3	Bishop Green Catholic School	Is baptised Catholic in a feeder primary school	Yes	No
4	Marsh Hill School	Lives ½ mile away	Yes	No
5	Grangetree School	Lives 3 miles away	Yes	No

Louise did not achieve a high enough score in the grammar school examination to be offered a place at Holmetown Girls' Grammar School. She met Bishop Green's criteria because she is a Catholic and attends a Catholic feeder primary school. She also meets the admission criteria for Marsh Hill, High Fields and Grangetree because she lives close to all the schools.

Louise is offered a place at High Fields because the school was ranked higher than Bishop Green, Marsh Hill or Grangetree.

Example 3:

Joshua lives $\frac{1}{2}$ a mile from Wellbourne, his local school, but his parents don't want him to go there. They do not want their son to sit a grammar school test and prefer a place for Joshua at a local Church of England school. The other schools they named on their application are a long distance from their home.

Rank	School	Joshua's Details	School's Admission Criteria Met?	Place Offered?
1	St Paul's Church of England School	Lives 1 mile away	No	No
2	Hall View School	Lives $3\frac{1}{2}$ miles away	No	No
3	Grangetree School	Lives 4 miles away	No	No
4	Marsh Hill School	Lives $3\frac{1}{2}$ miles away	No	No
5	High Fields School	Lives 4 miles away	No	No

Joshua lives close to St Paul's but did not meet the religious criteria of the school and did not qualify for a place. He lives too far from his parents' other four preferences to qualify for places.

None of his parent's five preferences could be met. His closest school, Wellbourne, filled its places with children whose parents had ranked it as one of their preferences. The local authority therefore offers Joshua a place at Hempley Hall School. The school is 3 miles from his home, but was offered by the local authority, as it was the nearest school with places still available.

Example 4:

Jagdeep lives $1\frac{1}{2}$ miles from Hall View school and 2 miles from Grangetree. Jagdeep lives in the catchment area of Kingsmere Academy (which is the only school with a catchment area), and her parents want her to sit the Academy's assessment tasks. Their closest school is Roundhill.

Rank	School	Jagdeep's Details	School's Admission Criteria Met?	Place Offered?
1	Kingsmere Academy	Has sat the assessment tasks	Yes	Yes
2	Hall View School	Lives $1\frac{1}{2}$ miles away	Yes	No
3	Grangetree School	Lives 2 mile away	Yes	No
4	Roundhill School	Lives $\frac{1}{2}$ mile away	Yes	No
5	Marsh Hill School	Lives $2\frac{1}{2}$ miles away	Yes	No

Jagdeep did the assessment tasks for Kingsmere Academy and her score in the tasks was average. As Jagdeep lived closer to Kingsmere than other children in the catchment area with a similar score she qualified for a place.

Jagdeep qualified for a place at Grangetree, Hall View and Marsh Hill because all schools offered places to everyone who lived within 3 miles. She also qualified for Roundhill because it was able to offer places to all applicants.

Because Jagdeep qualifies for five of her parents' preferences, the school ranked the highest by her parents, Kingsmere Academy, is offered.

Late Application Policy

Secondary school applications can only be made through Walsall Council's online portal up to 31 October 2026. The portal will close for applications after this date

Applications submitted after the closing date of 31 October 2026 will be classed as late applications and should be made using the late application form which will be available on our website from 1 November 2026

Also considered as late applications:

- Requesting to add additional schools after the deadline
- Requesting to change the ranking of named schools after the deadline

Each admission authority is required to publish their own Late Application Policy explaining how late applications are processed. Walsall Council's Late Application Policy is set out as below and is applicable to all Walsall Schools that do not publish their own Late Application Policy.

Late Applications received up to 4 weeks after the Closing Date (between 1 November 2026 and 27 November 2026)

Applications submitted during this period will be considered as late and applicants will not receive their notification of offer until after National Offer Day unless there are exceptional circumstances, including:

- A family moving into Walsall after the deadline date.
- Exceptional circumstances which prevented submission before the deadline date.
- A single parent has been ill for some time.

In these cases, the circumstances must be given in writing at the time of application. Supporting evidence is to be provided and will be subject to verification by Walsall Council.

Late Applications received more than 4 weeks after the Closing Date (between 28 November 2026 and 28 February 2027)

All applications submitted more than 4 weeks after the closing date, but before the notification date, will be considered as late applications and applicants will not receive their notification of offer until after National Offer Day. Please refer to key dates on page 5 and 6 to determine when offers will be received for late applications.

Late Applications received after Notification Date of 1 March 2027 (once places have been offered)

Applications received after the notification date, will be offered a place at the highest-ranked school depending on availability. For Walsall residents only, if no places are available at any preferred school, an alternate place will be offered to the nearest Walsall School with places available. The application will then be placed onto the waiting lists for schools listed as preferences in admission criteria order.

Late applications can be found on the School Admissions page on the Walsall Council website.

During the admission process you must notify the Admissions and Education Sufficiency Team in writing of a change of home address and provide proof of address.

Failure to provide this information will affect the outcome of your preferences.

Waiting List Policy

Waiting lists for all Walsall schools will be maintained by the Admissions and Education Sufficiency Team until 31 August 2027. Parents are able to enquire about their child's waiting list position by contacting the Admissions and Education Sufficiency Team on schooladmissionsadvice@walsall.gov.uk from 17 March 2027. Parents who wish to enquire about their child's position on the waiting lists for Walsall Academy should contact the school directly.

To enquire about your waiting list position for a school outside of the Walsall Borough please contact the relevant local authority.

Children who are the subject of a direction by a local authority to admit to a school or who are allocated to a school in accordance with the Fair Access Protocol will take priority over children on the waiting lists.

Waiting lists include all children who have been refused a place at any school which has been ranked higher than the offered school place, for example:

- If your child is offered a place at the school that you ranked 2nd on your application, your child will automatically be added to waiting list for the Walsall School that you had ranked in 1st.
- If your child is offered a place at the school that you ranked 1st on your application, your child's name will not be added to any waiting list. A request can be submitted in writing by the parent or guardian if you wish to be added to a waiting list.

We aim to offer parents a place at their highest ranked preferred school.

After 1 March 2027 a parent may contact the Admissions and Education Sufficiency Team in writing, or by email, to apply for a place at an oversubscribed Walsall school. Their child's name will be placed on the school's Waiting List in admission criterion order.

Please note that waiting lists are held in admission criteria order and pupils can move up or down on the waiting list throughout the admissions process.

Multiple Offers

We will only make one offer of a school place for your child on National Offer Day.

If the local authority are in a position to offer a higher preference from the waiting list at a later date, we will make contact with you by email and telephone to advise of the available place. Written acceptance of this additional offer will be required within 5 working days whereby the lower preference offer will be removed. Please note that your child can only hold a place at one school at any time.

How to appeal if your application is unsuccessful?

Parents who do not obtain a place for their child at a preferred school are eligible to appeal against the decision made. An Independent Admission Appeal Panel will hear the appeal. The decision made by the Appeal Panel is binding on the school, the parents and Walsall Council.

There will be a link in your offer notification email that takes you to an appeals information page on our website. This will provide information about how to submit an appeal and who to send it to. Please check the appeals deadline date for each school, as some will have different dates. If the school you wish to appeal for is situated outside of Walsall, you should contact the relevant local authority for information on their process.

If an appeal is unsuccessful, the policy for all Walsall Schools, is not to hold another appeal in the same school year unless there is a significant change in circumstance for the child or the school.

Offer of a place at a school

If you live in Walsall, Walsall Council will inform you of the result of your on-time application by email on 1 March 2027. If your child meets the admission criteria of only **ONE** of your named schools, you will be offered a place at that school.

If your child meets the admission criteria of **TWO** or more of your named schools, you will be offered a place at the highest ranked of those schools.

If your child is a Walsall resident and they do not meet the admission criteria of any of your named schools, the Admissions & Education Sufficiency Team will allocate a school place to your child. This allocation will be the closest school to the home address where there are still places available after all on-time offers have been made.

Your child will be offered a place at one school only. Parents will not be able to hold places at more than one school.

If a place becomes available at a school listed as a higher preference before 31 August 2027 the lower preference offer will be removed and replaced with the higher offer.

Withdrawal of an offer at a Walsall school

Once a school place has been offered on 1 March 2027, we will assume that you have accepted the place offered.

The offer of a place at an oversubscribed school may be withdrawn if your application contains fraudulent or intentionally misleading information that would prevent a place being given to a child with a higher priority. This includes providing a false home address on the application.

Where a place is offered based on the address provided on the application, but the child's address is subsequently found to have changed, the offered place may be withdrawn.

Definition of admission criteria

Where a school is 'oversubscribed', i.e. more applications are received than there are places available, the school's Admission Criteria is used to decide who places are offered to.

Admission Criteria for each Walsall school are shown on the School Information pages. This section gives more information about the admission criteria used by most Walsall schools. However, you should read the information page for each school carefully, as some schools differ slightly.

Children with an Education, Health and Care Plan

Education for some children is provided in accordance with an Education, Health and Care Plan. These children are placed in schools before applications for other pupils are considered.

Criterion 1: Children in Public Care and previously Looked After Children

Children in public care are children in the care of a local authority or provided with accommodation by a local authority and previously looked after children who were looked after but ceased to be so because they were adopted or became subject to a residence order or special guardianship order. These children are given priority over all applications.

Criterion 2: Sibling already in attendance

Pupils who have a sibling in attendance at the school at the point in which the application is made and who will still be attending the school at the proposed admission date. A sibling is a child who resides at the same address as the child for whom a place is being requested and is one of the following:

- A brother/sister sharing the same parents
- A half brother/half sister sharing common parent
- A step brother/sister
- Any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residence order)

The authority will try to ensure that as far as possible, siblings (including twins, triplets or children from other multiple births) can attend the same school. However, in the event that there is an insufficient number of places to allocate to twins, triplets etc., a decision will be made as to which child (ren) the place(s) will be offered. In this situation a place or places will be offered to the first born (older child (ren)) and in cases where this is not known, the offer will be decided by lot.

Criterion 3: Medical or social grounds

Relevant medical or social grounds which show that attendance at the school is essential, and which are supported in writing by a medical practitioner or appropriate professional. If parents believe there are specific medical/social reasons for claiming priority to attend a particular school, the relevant part of the online form must be completed and evidence to support the claim must be submitted directly to the Admissions & Education Sufficiency Team. This can relate to the child or the parents, for example where either parents or the child have a disability making travelling to a school further away more difficult.

Requests for such consideration will be considered by the relevant school in accordance with their admissions policy and evidence will be subject to verification. Please check whether the school that you wish to apply for has this criterion as part of its policy.

Medical: Medical evidence from a medical practitioner must be submitted in writing and should state why the preferred school is the only school that can meet the child's needs.

Social: Social evidence from a social worker or an alternate appropriate professional must be submitted in writing and should state why the preferred school is the only school that can meet the child's needs.

Not all secondary schools accept Medical/Social reasons as part of their admission arrangements, which can be determined through the individual school's admissions criteria listed on pages 17-55.

Criterion 4: Distance

Distance will be measured in a straight line from the centre point of the home address to the central point of the school address, using the local authority's computerised measuring system, with those living closest to the school granted priority.

The home address is considered as the permanent residence of the child in a residential property when the place is offered. The address must be the child's only or main residence and either:

- Owned by the child's parent(s) or guardian(s), and the child resides at the address or
- Leased to or rented by the child's parent, parent's or guardian under lease or written rental agreement of no less than 6 months old and the child resides at the address.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned.

Where parents have shared responsibility for a child and the child lives with both parents for part of the week, the main residence will be determined as the address where the child lives for the majority of the week. Parents may be requested to supply evidence to support the address used for the application.

The offer of a place is based upon the address of the child when the offer is made. If a child is offered a place at an oversubscribed school the place may be withdrawn if it is found that the child moved (before the place was offered) to a new address which was further away from the school and the child would not have qualified for a place within distance criterion.

In the event that a family moves between the application date and the date of offer, the parent(s), carer(s) or guardian(s) **must** inform the Admissions and Education Sufficiency Team as soon as possible of these circumstances.

If a home address is a flat/apartment and there is more than one flat/apartment at the same address, priority will be given to applicants at the lowest numbered flat or on the lowest floor.

General information

School hours & term dates

Details of all school hours can be found in the school's prospectus and on the school's website. Furthermore, details of school term dates are available on the Walsall Council website. Please ensure to check with the school to ensure this information is correct.

Annual governors' report and meeting for parents

Under current legislation, every school Governing Body must produce an annual report for parents on the work of the school. Subject to the Annual Parents' Meetings (Exemptions) (England) Regulations 2003, Governing Bodies may be exempt from the requirement to hold a meeting for parents. Where a meeting is held, this usually takes place in the autumn term and parents are notified of arrangements by the school. This is an opportunity for parents to learn more about the school and to ask questions of the governors. Do try to attend these meetings if you can.

Entry for examinations

A variety of public examination courses are available in all schools. The responsibility for deciding whether a pupil should, or should not, be entered for a particular level of any public examination in any subjects rests with the Head Teacher of the school.

Parents are advised to discuss subject choices and examination entries fully with their child's teachers before final decisions are made.

Charging and remission policy

Copies of the Authority's policy on charging and remission for school activities are available from Walsall Council. Each school can provide a copy of its own policy. These policies explain which school activities parents can or cannot be charged for and the circumstances in which they can be invited to contribute to the cost of such activities.

Private property

Walsall Council and the governors of all Walsall schools will not accept responsibility for the loss of, or damage to, clothing or other items of private property. Pupils who bring to school mobile telephones, jewellery, calculators and other items of private property do so at their own risk. Responsibility for the insurance of such items rests entirely with the owner. Insurers do not accept liability for the loss of private property on school premises. This disclaimer does not affect your statutory rights.

Provision of free school meals

It is the duty of the Local Authority (LA) to provide a meal for those pupils who are eligible for free school meals. Schools and some Colleges also offer this facility to students who are receiving a support payment in their own right, up to the age of 20 years.

Entitlement to free school meals

For advice on free school meals entitlement, please telephone 0300 555 2855 or visit Walsall's Free School Meals Team's webpage on the Walsall Council website: www.walsall.gov.uk

Pupils will be able to receive free school meals if their parent or guardian receives:

- Income Support (IS)
- Income Based Job Seekers Allowance (JSA (IB))
- Employment and Support Allowance (income related) (ESA (IR))
- Child Tax Credit (CTC), provided you do not also receive Working Tax Credit and have an annual income, as assessed by the Inland Revenue, that does not exceed £16,190
- Guarantee Credit element of State Pension Credit
- Support under Part 6 of the Immigration and Asylum Act 1999

Free school meals application form

This form can be obtained from your child(ren)'s school, by calling 0300 555 2855 or you can download an application form from the Walsall Council website <https://go.walsall.gov.uk/schools-and-learning/school-meals/free-school-meals>

Minimum Entry Requirements For Year 12

Each school is required to publish in their school prospectus the minimum entry requirements for entry into Year 12.

Pupils will be considered for entry into Year 12 based upon their academic attainment and/or individual subject grade criteria and the availability and suitability of courses at the school. Entry into Year 12 is not dependent upon attendance or behaviour records.

Parents should contact schools directly to discuss making all applications for admission to year 12.

Pupils refused a place in Year 12 in their own school are entitled to appeal to an independent appeal panel.

Fair Access Protocol

Walsall has an agreed Fair Access Protocol which is available on the Walsall Council website. **School admissions policies | Walsall Council**

Fair Access Protocols exist to ensure that access to education is secured quickly for children who have no school place, and to ensure that all schools in an area admit their fair share of children with challenging behaviour.

Along with devolved funding and responsibility for alternative provision, an agreed protocol encourages schools to work together in partnership to improve behaviour and tackle persistent absence.

The information contained in this booklet is correct at the time of publication in September 2026. It is, however, possible that there may be some later changes affecting points of detail.

School Profiles

Dear Parent/Carer

As you may know, the Department for Education is testing a new online service called School Profiles, designed to help parents and carers find, compare and understand state secondary schools in England.

About School Profiles

School Profiles brings together key information about schools in one place, making it easier for families to explore their options ahead of submitting secondary school applications.

A new comparison feature has been introduced that allows parents and carers to compare up to 6 secondary schools side by side, helping families make more informed decisions about their child's education.

Take part in the trial

The DfE is inviting parents and carers to explore the service and provide feedback to help improve it before a wider rollout.

If you'd like to take part in the trial, you can:

- Visit the school profiles beta website
- Search for and compare secondary schools
- Share feedback directly through the service

Your feedback will help shape the future of School Profiles and ensure it meets the needs of parents and carers when making important school choices.

Visit the trial

School Profiles beta website: <https://beta.schoolprofiles.education.gov.uk/gateway/welcome/WLL>

Please take a look and share your feedback as early as possible, so improvements can be made ahead of the next secondary school admissions cycle.

Any feedback provided through the website is collected directly by the Department for Education.

Year 7 Admission to Special Schools

This section provides information on Walsall Special Schools.

There are several special schools in Walsall which are provided to meet the complex learning needs of children with an Education, Health and Care Plan.

How to apply

Children can only be admitted to a special school if they have an Education, Health and Care Plan which names the school.

If you request that your child be allocated a place in a special school, the need for this provision must be evidenced in the EHCP or the most recent annual review must include evidence that the needs of your child cannot be met in a mainstream school environment. Applications for special schools must be made through the Phased Transfer Annual Review process.

Please note, it's important that if your child has a statement of special educational needs, or an Education, Health and Care Plan, or is undergoing the statutory assessment process it is essential that you discuss your preferences with the SENCO at your child's primary school and the SEND Team for your home local authority before submitting your application.
